

AIROBE

LUXURY BODY DRYER

The Luxury Body Dryer

Treat yourself to a little luxury each day

Save water by reducing laundry

Potentially lower energy bills:
no more washing or tumble-
drying towels

Dry yourself in minutes
with a stream of warm air

More hygienic and gentler
than towels

Keep mirrors, tiles and
windows free from
condensation and mould

LUXURY BODY DRYER

The Luxury Body Dryer

Treat yourself to a little luxury each day

- Dries your body in minutes without towels
- Gentle on your skin and more hygienic than towels
- Reduce laundry bills
- Fun and simple to use for the whole family, even pets love it
- Less condensation keeps mirrors, windows and tiles clear
- The ultimate way to dry yourself after a shower
- Powerful dryer creates an envelope of rapidly moving warm air which surrounds you like a luxurious robe
- The simple remote control allows the user to select a perfect drying experience
- The dryer instantly takes the chill from a cold bathroom and makes bathing a pleasure rather than a chore
- The powerful 'fan only' setting is refreshingly cool on warm days
